

# ISSD SUPPLIES LIST

Coming prepared with all supplies the first day of school is the first step to an organized student. Attached is information on how to be prepared as well as the supplies needed for each grade. Carefully read and follow ALL instructions.

## *Shopping Tips:*

- Be sure to buy for home also, because almost all of the items listed below should be available at home for homework and projects.
- Stock up on items that need to be replaced throughout the year as they are cheaper during summer sales.
- Some additional supplies may be needed as the year progresses such as report covers, poster boards, etc. Notes will be sent home when needed.
- Sometimes a better quality will be more cost effective than a cheaper item if it means it will last the full school year.
- Avoid buying fancy or extra items not on the list as they become a distraction for the student rather than a help.
- Be sure to purchase a permanent marker with which to label all school supplies and clothing!

## *Labeling:*

- Kindergarten: label each individual item.
- 1<sup>st</sup> – 5<sup>th</sup>: Only label the bigger items as pencils, paper, etc. will go into a joint pool
- Middle school: each student will be responsible for their own items and should always keep well stocked with all supplies.

## *Special Note:*

Some supplies that need to be identical for the whole class may need to be purchased from ISSD. The 1<sup>st</sup> week of school, a letter will come home regarding any of these.

## *Fundraising Tip:*

If purchasing at Office Depot or Staples, be sure to give our school name because 5% of the purchase will go to a credit fund for ISSD.
