## GUIDE TO IMMUNIZATIONS REQUIRED FOR SCHOOL ENTRY GRADES TK/K–12 (continued)

### ADMIT A CHILD UNCONDITIONALLY WHO:

- Has all immunizations required for their age or grade, or
- Entered Transitional Kindergarten with
  - a valid personal beliefs exemption (PBE) for missing shot(s) that was signed within 6 months prior to entry and filed before January 1, 2016 and
  - immunization records with dates for all required shots not exempted, or
- Is entering 1<sup>st</sup>–6<sup>th</sup> grade or 8<sup>th</sup>–12<sup>th</sup> grade and submits a valid PBE filed at a prior California school for missing shot(s) and immunization records with dates for all required shots not exempted. **The PBE must have been filed before January 1, 2016 and is only valid for the current grade span (TK/K through 6<sup>th</sup> or 7<sup>th</sup> through 12<sup>th</sup> grade).** For complete details, visit [ShotsforSchool.org](http://ShotsforSchool.org), or
- Submits a licensed physician's written statement of a permanent medical exemption for missing shot(s) and immunization records with dates for all required shots not exempted.

The immunization requirements do not prohibit pupils from accessing special education and related services required by their individualized education programs.

### A CHILD WHO IS MISSING REQUIRED SHOTS MAY BE ADMITTED CONDITIONALLY IF HE/SHE:

- Is missing a dose(s) in a series, but the next dose is not due yet. This means the child has received at least one dose in a series and the deadline for the next dose has **not** passed, according to the table below.
- Has a temporary medical exemption to certain vaccine(s) and has submitted immunization records for vaccines not exempted. The statement must indicate which immunization(s) must be postponed and when the child can be immunized.

### SCHOOLS NEED TO FOLLOW UP AFTER ADMISSION IF:

- Child was admitted conditionally. Notify parents of the deadline for missing doses. Review records every 30 days until all required doses are received.
- Awaiting records for transfers from within California or another state. School may allow up to 30 school days before exclusion.

### When Missing Doses Can Be Given:

Polio		2nd	6 weeks	10 weeks

### DO NOT ADMIT A CHILD WHO:

Does not fit one of the previous categories. Refer parents to their physician with a written notice indicating which doses are needed.

Maintain a list of unimmunized children (exempted or admitted conditionally), so they can be excluded quickly if an outbreak occurs.
